Mr. Callington:

I am the attorney representing UL LLC in the above referenced lawsuit against you.

On behalf of UL, I confirm receipt of your motion for an extension of time to respond to the Complaint. In principle, UL has no objection to allowing you additional time to secure legal representation. However, UL believes that it is more appropriate for you to keep the Company and the Court updated on your efforts to find an attorney more frequently, and we suggest that you file a status report on September 30, 2024 to update everyone on your efforts. The Company additionally requests that you agree to the entry of a Court order that prohibits you, or any third parties acting in concert with you, from (i) using or disclosing to third parties any of the information that belongs to UL and/or UL's customers that is in your possession and alleged to be confidential, trade secret, or proprietary, and (ii) deleting or destroying any evidence that is potentially relevant to the lawsuit that has been filed against you.

I have prepared a proposed order that outlines the proposal from UL and it is attached to this message. By 12:00 CT tomorrow, please respond and tell me whether you agree to the proposal in the attached order. If I do not hear from you or you do not agree to the entry of the proposed order by the Court, I will move forward on UL's behalf and note your position for the Court.

Thank you.
